Dear Sir/Madam,

Please find below our comments on the Exposure Draft of Amendments to Ind AS 28 – *Investments in Associates and Joint Ventures*.

Comments:

1. **Paragraph 18:** Suitable examples and clear criteria may be provided for identifying "similar entities" and investment-linked insurance funds to ensure uniform application of the fair value option.
2. **Paragraph 19:** An illustrative example may be included to clarify the application of the fair value option to a portion of an investment held through eligible entities and the equity method to the remaining portion.
3. **Paragraph 45M:** The effective date and transition requirements may be clearly specified in view of the proposed linkage with Ind AS 118, which is yet to be notified by the Ministry of Corporate Affairs.

The above suggestions are submitted for consideration while finalising the proposed amendments.

Kindly acknowledge receipt of these comments.

In this regard, it may be noted that IFRS Standards are being issued/ revised by the IASB from time to time. As a part of convergence with IFRS Standards, Ind AS may be issued/revised corresponding to the IFRS Standards. Accordingly, whenever any amendments or new IFRS Standard is issued by the IASB, the Accounting Standards Board (ASB) of the ICAI considers amendments for inclusion in corresponding Ind AS.
